Pro Lawn Edger

Little Wonder Pro Edgers are designed to make edging jobs more time and cost efficient. these contractor-tough edgers cut up to 90 feet per minute! Dual-belts provide extra power to the blade. They're user-friendly with fingertip controls and a ratchet-arm height adjustment system for fatigue-free operation and control.

1 Engine

Available with a 3.5HP Briggs and Stratton Engine, a more durable and cooler running engine with dual element air filter

Also available with a 4HP Honda engine featuring better fuel economy and rated for up to 2000 hours.
