

BG 86 Handheld Blower

Professional User

Part of our new line of low emissions handheld STIHL leaf blowers, the BG 86 has all the comfort features you need to work for hours at a time. This professional use gas leaf blower is equipped with a throttle lock and stop switch, along with a semi-automatic choke lever for smoother starts and ease of operation. Designed with our four-spring anti-vibration system, this leaf and debris blower is both powerful and fuel efficient— letting you run longer between fuel stops.

NOTE: Both flat and round nozzles included.
