

72", 84" & 96" Medium-Duty Landscape Rakes - LR Series

Woods landscape rakes are built with the rugged durability you'll need for tough clean-up jobs – and the versatility and fine raking features for light-duty lawn care and general maintenance. The Medium Duty Series features multiple forward and backfill rake angles for improved flow and distribution of dirt and other material. Adjust the angle to control the flow of material to the right, left, or center.
